

GEOMANCY TRAINING

Workshop offerings, 2019

Learn to work with subtle realms and earth energies to heal and create environments that assist you and others live in harmony and health

Would you like to:

- Practice earth healing at home or professionally?
- Study with master geomancers from the UK?
- Understand the principles of geomancy from classical and contemporary perspectives?
- Develop real and useful skills?
- Have practical experiences reading and healing the environment?

Take the plunge and join us for one of our hands-on workshops. Change the way you experience the world.

You will:

- Gain strong foundations in dowsing, geomancy and shamanism
- Learn practical techniques and skills to address issues in the built and natural environments
- Heal trouble spots that may have serious health and social implications
- Learn to communicate with energies of the subtle realms, including elementals and nature spirits
- Deepen your connection with the spirits of place and your understanding of earth energies
- Be able to create a more harmonious and bountiful life for yourself and others
- Learn to practice as a geomancer
- Become part of a tribe that works collectively towards earth healing

Introduction to Geomancy

Richard Creightmore, Jewels Rocka

26 January 2019

10 am – 5 pm (1 day)

Borsa Hall, Hepburn, Victoria

Join us for this 1-day workshop and explore different aspects of the ancient art of Geomancy.

An introduction to communicating with and understanding the subtle realms in Geomantic Practice.

Learn to dowse earth energies, ley lines and geopathic stress, and about working with tree and nature spirits. You will gain an understanding of transformational techniques, such as Earth Acupuncture, Earth Magic and House Protection.

Water Divining

Richard Creightmore

27 January 2019

10 am – 5 pm (1 day)

Borsa Hall, Hepburn, Victoria

A day of practical exercises to learn how to dowse for underground water. You will discover how to identify primary and secondary underground streams, and blind springs, as well as judging water quality, depth and flow rates.

The art of dowsing will be introduced and taught on the day, and there will be ample opportunity to practice the skills you learn.

All About Earth

Richard Creightmore, Jewels Rocka

31 January – 3 February 2019

9.30 am – 5 pm (4 days)

CERES, Brunswick East, Victoria

Theory and practice of dowsing earth's subtle energies. We will explore the nature and scope of dowsable earth energy lines; communication with etheric and astral earth beings; the nature, causes, types, signs, and medical and social symptoms of geopathic stress; and a range of techniques to neutralise disturbed earth energies. Discover your personal strengths using a variety of systems. Theory and design of sacred space.

Topics include:

- **The Geomantic Mantle:** historical and contemporary perspectives; psychic protection; shielding; permissions and boundaries
- **Learn to Dowse:** styles, protocols; equipment and maintenance; chart and map dowsing
- **Earth Energies:** source, categorisation and nature; power centres and sacred sites; identifying portals; ley lines; underground streams; blind springs; earth grids
- **Geopathic Stress:** Chinese and Western perspectives; underground water, mineral deposits, geological faults, radon gas; neutralising techniques; earth acupuncture points
- **Remedial Techniques:** crystals, talismans and other remedies; permanent needles and cairns, their placement and tuning
- **Introduction to Elementals and Nature Spirits:** working with devas; elementals and nature spirits pathologies; tree spirits and wands
- **Introduction to Design of Sacred Space**
- **Site Visits**

Elementals and Nature Spirits

Jewels Rocka

15–16 May 2019

9.30 am – 5 pm (2 days)

Abbotsford Convent, Victoria

A journey into the world of Elementals, Nature Spirits and Tree Spirits, and the immense pleasure and benefits communicating with these realms can bring to your life. You will gain an understanding of the different kingdoms and how to develop relationships in these worlds. You will acquire allies to work with and the skills to deal with pathologies that afflict spirits at different times and locations.

Topics include:

- **Nature Spirits and Elementals:** different types and places they dwell; communicating and honouring; working in co-operation
- **Trees Spirits:** their story; communicating; the gift of a wand
- **Spirit Guardians:** locating spirit houses; working with guardians
- **Malign Spirits and Pathologies:** identifying and healing pathologies; wounded, isolated and trapped spirits
- **Protection:** amulets, talismans and charms
- **Offerings and Libations**
- **Plant Allies and Incenses**

Geopsychic Phenomena:

Ghosts, Spirits and Entities

Jewels Rocka

18–19 May 2019

9.30 am – 5 pm (2 days)

Abbotsford Convent, Victoria

An introduction to the release of Geopsychic Stress, with a particular focus on the nature, causes and signs of imprints, earthbound ghosts and entities. Working with shamanic and magical arts, we will learn techniques to enhance geomantic practice. This includes Protection Protocols, Banishings, and Rituals for Working Safely and Clearing Space.

Topics include:

- **Protection:** personal and house protection; protocols for spirit work; shielding, banishing and wards
- **Geopsychic Stress:** overview of geopsychic phenomena; identification and release of earthbound ghosts and entities; communicating, dialoguing and healing in spirit work
- **Portals:** identifying and determining the nature of portals; opening and closing where appropriate
- **Curses:** ethics and psychology; identifying and removing curses
- **Space Clearing:** creating 'sweet' space using ritual form
- **Geomantic Healing Protocol**
- **Site and Practical Work**

Earth Reading

Jewels Rocka

September 2019

9.30 am – 5 pm (2 days)

CERES, Brunswick East, Victoria

A sound foundation in the practices of Geomancy, or Earth Reading. You will gain an understanding of the relationships between human activity and environments. Learn to differentiate and diagnose earth energies, focusing on their effect on communities and individual destinies. You will be given the knowledge to heal and create change for a better earth, enhancing spaces and the fortunes of communities, family, friends and clients.

Topics include:

- **The Geomantic Perspective:** context, definitions; stages and states of consciousness; Tao of geomancy; practices and techniques; geomantic mantle, boundaries and responsibilities
- **Psychic Protection:** reading, channelling; auric defences and maintenance; shamanic powerbase
- **Types of Reading:** divination skills; Aristotelian elements, associations and uses
- **Spirit of Place:** naming and framing
- **Introduction to Dowsing:** earth energies and their qualities; solutions and enhancements
- **Site Energetics:** built and natural form; qi qualities and analysis; yin, yang, human endeavour; reading the macro and micro environment; the 'Big Nine'
- **Introduction to Technopathic Stress:** hazards, solutions; sick building syndrome
- **Omens:** relevance, analysis, interpretation; reading the bones
- **Putting it Together:** site survey; street walk and analysis

Geomancy Intensive

Residential

Richard Creightmore, Jewels Rocka

October 2019 (5 days)

Regional Victoria, venue TBA

Delving into the shamanic and magical arts of Geomancy, you will gain the knowledge and skills to work in relationship with the earth to heal and create environments for yourself, friends and clients.

The focus of these five days will be Earth Energies, Earth Acupuncture, and Ritual and Magical Work as it relates to Geomantic practice. You will feel empowered, transformed and alive as you learn to communicate with the subtle realms and heal different earth pathologies, walk with dragons and nature spirits, and gain mastery in ritual practice and working with the mysterious underground energies.
